

**TO ALL THE NATIONAL FEDERATIONS
AFFILIATED TO THE EUROPEAN WEIGHTLIFTING FEDERATION**

With great pleasure I would like to invite all representatives, members of the European Federation Championship U20 and U23 Weightlifting. I am honored to host athletes from all over Europe and be involved in the organization of such a prestigious sports event.

At the same time I want to assure you that the European Championship U20 and U23 Weightlifting are organized in accordance with the provisions of the International Weightlifting Federation. We will do everything to provide comfort to the young participants of the competition while staying in Zamosc, to let them achieve high sport results and beat the records! Zamosc is a unique town. One of the biggest centers of culture, education and tourism in Lublin province. For a unique architectural complex and urban planning, Old Town called the "Pearl of the Renaissance", "City of Arcades" and "Padua of the North", has been registered in 1992 on UNESCO's World Heritage List.

I am sure that all participants of European Championship U20 and U23 in 2018 in Zamosc, will experience Polish hospitality, and that all residents of the city and region – will witness a great demonstration of strength and fighting spirit, performed by the best young athletes in Europe!

See you in Zamość!
